\* If the difference in column 1 is less than zero, enter "0" in column 2.  
 \*\* If the Highest Number Previously Paid For is greater than the number in column 1, enter "0".  
 \*\*\* If the Highest Number Previously Paid For is greater than the number in column 1, enter "0".  
 The Highest Number Previously Paid For is the highest number previously paid for in column 1.  
 The fee for a multiple dependent claim is determined by the number of independent claims to which it is dependent. For example, if a multiple dependent claim is dependent on two independent claims, the fee is determined by the number of independent claims to which it is dependent, not by the number of multiple dependent claims.  
 The fee for a multiple dependent claim is determined by the number of independent claims to which it is dependent. For example, if a multiple dependent claim is dependent on two independent claims, the fee is determined by the number of independent claims to which it is dependent, not by the number of multiple dependent claims.
